FOR IMMEDIATE RELEASE:

November 16, 2017

Ball Road Will Be Closed at Peter Pan Run

FREDERICK, MD – The Frederick County Office of Transportation Engineering announced today that Ball Road will be closed at the structure over Peter Pan Run on or about November 29, 2017. This will allow contractor, Kline, LLC, d/b/a Pleasants Paving, to replace the structure.

The project will replace the existing structure and is scheduled to last until summer 2018, weather permitting. The work includes complete removal of the existing pipe structure, replacing portions of the existing traffic barriers, installing new traffic barriers and end treatments, installing a two-cell precast box culvert, constructing new cast-in-place headwalls, wingwalls, toe walls, and footings, installing new bridge railings, regrading approaches, and installing riprap. A temporary stream diversion will be used.

A signed detour route will be in place during the road closure. The detour will utilize MD 335/Urbana Pike/Worthington Boulevard, MD 80/Fingerboard Rd and Ijamsville Road. This detour does not conflict with the Ijamsville Road project. Department staff have notified emergency personnel and school officials.

For additional information, contact Project Manager Amanda Radcliffe, Office of Transportation Engineering, at 301-600-1959 or via e-mail at ARadcliffe@FrederickCountyMD.gov or Blair Hovatter, Office of Transportation Engineering, at 301-600-3508 or via e-mail at bhovatter@FrederickCountyMD.gov
